**Request for Financial Assistance**

The School of Nursing is committed to providing scholarship and grant support to our undergraduate and graduate nursing students. Even with the best of plans, we understand that situations occur where students/families need additional financial assistance. FPB will consider requests for financial assistance based on the availability of funds, academic standing, and the circumstances outlined in your request.

Funding is limited.

If approved for additional funding, this is a one-time offer. You are encouraged to explore all financial aid options including federal student loans. Scholarship information is available on our FPB website at <http://fpb.case.edu/StudentServices/financialaid.shtm>.

**You may complete and submit the *Request for Financial Assistance form* along with a detailed explanation of your need for additional financial assistance to the Office of Students Services. Upon review, you may be asked to provide documentation to support your request. Students will be notified via email on the outcome of their request.**
